Thread: [2017 inactive verified twitter comes with oge](#)

zFinessed - May 18, 2019, 11:37 am

@mps_91

BIN - \$120

Payment method btc or any crypto

Comes with oge I'm a yahoo domain
[contract=tid]Start Contract[/contract]

int - May 18, 2019, 1:33 pm

can the name on the account be changed? what about the username?
also the BIN seems pretty low, so a bit suspicious (although acc does seem inactive).

The name in the account can be changed of course. The username aka the @ can only be changed by contacting twitter support but it is possible. Price is low because it is not that inactive
