Thread: [SELLING: Proxy Scraping Website Source](#)

DavidIA - May 19, 2019, 1:07 pm

I am selling a proxy scraper site me and a friend made ages ago (We somehow managed to sell a few memberships lmao)

This obviously needs some improvements (mostly in the UI) It is fully functional and has a referral system and bitcoin paymentwall.

What You Get:

Complete Source Files

Database export

Need this gone asap dying for some green lmao ?

Demo Site: <http://thefatotakuyt.000webhostapp.com/scraper/scraper/login.php>

Login: demo:demo

old domain was proxius.pw (a few might remember it)

Price:

\$20 Paypal F&F

Add my discord: Sevredol#9763

Can provide proof of ownership ect.

[contract=tid]Start Contract[/contract]
