He is a scammer.

I've purchased multiple FI**** invites from him, sent BTC and he did not respond for 5 days.

Can confirm, He's a scammer. I bought 1 invite 2-3 days ago.

After I sent him the BTC he has never responded or sent me the invite.

Who the fuck scams someone for a lousy 2\$ btc? I mean that is really pathetic imo

He didn't want to create contract for every deals

So be careful when dealing with him
