The GRim - June 2, 2019, 7:28 am

Not sure how to go about this as I've never bought an award. PM me instructions or set it up?

1) I put the award in the award market.

<https://hackforums.net/awardmarket.php>

2) Minimum price is 5000 so you'll need 6000 bytes to purchase the award.

3) I send back the 5000 bytes.

ShinyThings - June 2, 2019, 7:37 am

I guess I'll need to buy some more bytes. I keep gambling them away hoping for a pay day lol
