Yeah if it's legit even, some strategy without spending 500 bucks to get 30\$ income/day (which would probably turn out a scam bot), would be nice.

Is Telegram bot still a thing these days? Back in old days they were all scams, referring other people to cash out blah blah aka ponzi scheme. People post their referral link in forums so they get bonus. But my question is your Telegram Bot legitimate? P.s Why would they pay us free money when we are doing nothing for them.

UPDATE: I checked your proof of payment(img) that you provided. In the picture the "Total Players: 1236649" but in the 2 telegram bot that you provided I realised that one of the Telgram Bot has Total Players of : 571752 and other Telegram Bot has Total Players of : 778768.

So from those numbers, what I definitely know is that the picture of payment proof that you provided on this thread is nothing less but a FAKE. The payment proof picture that you are using is DIFFERENT Telegram Bot that you tell us in your method.

So after all, I just want to say that "People don't fall for this" .

Check these links about Telegram Bot:

I took the chance to test this method out and can confirm it works. I made an investment into it to where I'll be getting approx. \$34/day. Here is my first test withdrawal through the bot, and it going into my wallet.

working and I can withdraw.

Stanley - November 13, 2019, 7:36 am

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
