Memetics - August 8, 2010, 10:40 am

I want a: GFX - site banner to be more specific

I want it to say: A Series of Tubes OR a series of tubes OR aseriesoftubes.info - whichever one you think is the most appealing.

I want it to be: Sleek, perhaps futuristic looking? If it helps, these are some images you could use. Animation would be nice but is not necessary. I'm not good on the creative side, sooo if these help, go for it:

http://smolucha.com/blog/wp-content/uploads/2009/08/Series_of_Tubes.jpg /

http://static.myce.com/images_news/userimages/series_of_tubes.jpg /

http://www.konveyor.com/images/gas_tubes_2.jpg - or just a bunch of tubes and whatnot. It just needs to be an appealing banner that will be on a black background lol

I want it to be done : Whenever

Im willing to give you: Will rep work? o.o

It would be much appreciated :D

Maitkaa - August 8, 2010, 10:44 am

I want a: Sig and a Avatar

I want it to say: NeXTDooRHaCkeR

I want the avatar to move and say NextDoorHacker

I want it to be: The renders : 1) this in the right corner

<http://www.planetrenders.net/renders/albums/userpics/552051/> normal_warrior~0.png (without the creator) 2) this in the left corner

<http://img295.imageshack.us/img295/9931/gallery5294912928035bf0.png> 3) and this combined with the others (in the background)

Wow man... thats just... awesome... ;D

THank you VERY much ;D

Oh, and if it wouldnt be too much trouble, could u like add a background behind it?

That would be just GREAT, and I would be indebtet like forever ;D

I will see if I can use my basic skillz to make something, but I think you would do it much better ;P

Also, could u send me a render of teh marshmallow u used?

Like, before coloured?

And please tell me how u coloured it ;D

This time I can give you: Spoiler ([Click to View](#)) Eternal Salvation... And youth...
