iGanja - September 22, 2010, 7:08 pm

If you're going to use a voice changer, please don't make tutorials. It unbelievably annoying.

If you don't want to watch tutorials, because voice is annoying you can GTFO.

+ I already told everyone it happened accidentally.

Flashnox™ - September 22, 2010, 11:33 pm

It could do without the silly voice changer -_-

agentmax69 - September 22, 2010, 11:58 pm

oh i see, now i have an idea to make an animation , nor frame by frame thanks mate :)
