The rate is not negotiable. The least amount I am willing to exchange is 100\$. The MOST amount I can exchange at the moment is 250\$. I don't go first under any circumstances.

If you accept my TOS and willing to do this trade,shoot me a pm!

Thanks in advance!

Won't do your terms, but will do +10% you go first. I know you said don't bother if we won't meet your tos, so just ignore if you're not interested

Sorry to burst your bubble but I don't think anyone will 1:1

SecretAchiever101 - June 8, 2019, 12:02 pm

Guys. Once again, if anyone has any kind of problem with my rates , you may as well pm me in order to discuss it in detail privately.

Please,do not post publicly about my rates. I've found buyers who are willing to trade 1:1 more than just once.

So, please, if you have any objections about my services, do not post it publicly, pm me so we discuss it.

Thanks in advance.

I'm willing to do \$100 1:1. But I can't go first, especially with BTC.

Nothing personal brother. I'd rather be safe than sorry. That's all. You have quite a few scam reports on your name so I don't feel comfortable going first. Again, nothing personal. I am just not comfortable with it. I am sorry.

What is your exchange rate for \$100? What about all \$350? Please let me know. I'm not PMing you yet because I'm unsure of all of your TOS: "Please.Don't pm me if you don't accept my TOS."

Hopsin - June 16, 2019, 5:51 am

Is your currency EUR or USD? Is your PP registered in the US or EU ?
