Thread: [Renting non-cracked private Linux servers!](#)

iRobot443 - June 5, 2019, 5:52 pm

I have some of my own servers that i am not using so i thought i would rent them out. They are running debian and have a gigabit connection, The specs vary but the prices and specs are listed below.

Intel Xeon E5 2560 v4 with 32gb of memory - \$40 monthly, x4 in stock
Intel Xeon E3-1230 V6 with 16gb of memory - \$10 monthly, x6 in stock
Intel Xeon 3104 with 4gb of memory - \$6 monthly, x2 in stock
Intel Xeon E5-2673 v3 with 8gb of memory, \$10 monthly, x2 in stock
Smaller servers (2gb ram) are available for \$3 monthly

All servers run Debian unless requested for another os.

T.O.S - No Crypto-mining, no botnets
Anything besides what is in tos is acceptable.
