Thread: [Programmer who can make multiple post requests to server!](#)

LouLaVie - June 7, 2019, 7:49 am

I need someone who can program me an application where I can send bulk SMS service!

I got all the documentation but i'm not able to do this!

Please let me know if you can do it!

\$50 BTC

[contract=tid]Start Contract[/contract]

If you still need this, send me a private message, I already made several programs like that.
