Hello,

Since I'm going back into the graphics world I would like to start with practicing.

If you need a thread design I'll make one free of charge for you.

Hi. Can I get a thread design with no specifics? Just a .psd or something so I can modify the words into it later. I'm not picky at all except I'd like some hot pink/fuchsia in there. Thank you so much! Let me know if you need anything else although I'm really not picky.
