TheTrainingCentre - June 11, 2019, 2:29 am

Hey HF users! I'm going to be launching this course through my info marketing business in the next month and need some testimonials & reviews for the sales page. The course teaches you exactly how to make £500/\$500 in the next 30 days guaranteed (no marketing methods/no MLM/no sign ups) just proven to work, simple and easy to follow methods. Each method comes with video guide tutorials, proof of earnings and examples for you to complete. I'm planning to sell this for £197 so all I ask in return for the free access is that you respond to this thread with your review/testimonial that you give me permission to post on my sales page (vouches & popularity also welcome). There is not a free trial, no credit card info required or anything... once you have the course this is yours to keep forever!

- Create \$500 Online In The Next 30 Days Without Investment
- 4 Different Online Income Streams
- Video Tutorials & Proof of Earnings For All Methods
- Exact Guides On How To Complete Each Method Around A Full Time Job
- How To Turn Your \$500 Into A Full Time Income (Optional Bonus Module)

I'm interested in this. Please let me take a look at it and I'll provide a honest testimonial.

Edit : Do I have to sign up and enroll in that course or you provide a zip file.

You don't have to sign up as such, just create a log in on my website as I've hosted the course on ClickFunnels due to it being all video content!
