i clearly state on my thread PAYMENT VIA BTC, thats like saying im selling a lamborghini if u have 1 million dollars ill give you it. thats fucking irrelevant to my thread, you can see i dont have bytes, i state that im purchasing with btc and you post your shit anyway to advertise on my thread. fuck off

Cute. I offered you an ALTERNATIVE which would've saved you money IF you had extra bytes

which i clearly said " if you had more bytes" . However you only got triggered cuz i declined your vouch request. Childish fuck lol. I wish you luck finding a seller tho ?
