Does it give you an idea of entrepreneurship and how it works?

BulletCake - June 13, 2019, 6:21 pm

Wouldn't say it gives you a great idea of entrepreneurship. Just a really entertaining film with awesome acting/cast. The performances really sell the film.

tenten - June 22, 2019, 1:35 pm

one of my favorite movies. matt daemon is hilarious

Cocaine - June 22, 2019, 1:37 pm

It is an amazing film but I don't know what you could actually learn from it haha. Just watch it.

fsociety365 - June 22, 2019, 2:00 pm

If you wanna make money watch that movie it's really good

apepi - June 22, 2019, 2:39 pm

No not really at all unless you're looking at it at some core level or moral lesson or something. You won't learn to get rich or be prosperous with it, no.

Lindros - June 22, 2019, 10:47 pm

It's not really something you could watch and replicate if that is what you are asking lol. IT does teach one how to party correctly.

No but most "business" HF members seem to think so.

W3 S33 4LL - June 22, 2019, 11:46 pm

I've watched it...

It seems a very good movie, I just hate the fact that they use drugs on a high scale

It just seems too hardcore

red - June 23, 2019, 1:44 pm

It is a good movie that shows you how people have fucked with the law to make large sums of money and ultimately they are caught and then jailed or used to expose others/friends.

It won't "teach" you how to do anything.. it is a entertaining movie that shows you that if you ever decide to fuck over people, you need to do it very carefully.

I guess it teaches you not to speak to the feds without a lawyer present.

gatsbygodx - June 24, 2019, 5:26 am

Pretty instructive movie. It is worth thinking. Especially life hacking with a pen. How to make to buy something that you do not need

hvwhov2 - June 24, 2019, 11:14 pm

Sick - June 24, 2019, 11:26 pm

Yeah i thought it was a pretty good movie a little slow at the start but worth the watch

Nas - June 25, 2019, 9:19 am

Great movie, really well made. You will enjoy it.

Dorrance - June 25, 2019, 4:30 pm

One of the world's greatest movies of all time, Leonardo DiCaprio is one of the best male actors of our time. Lowkey I am trying to be the next wolf on wallstreet.

?ndrew - June 25, 2019, 4:31 pm

It's a great movie but don't watch it expecting to learn very much lol

ingenious - June 25, 2019, 10:43 pm

No it doesn't

After watching it, you will surely be entertained and jealous

"Does it give you an idea of entrepreneurship and how it works?"

Short answer: No.

Jealous?

The movie shows possibilities of what can be done.

And all this stuff really happened.

I find that fascinating.

Myrtti112 - June 26, 2019, 7:49 am

Its great. The acting is just insanely good! Basically the best actors on this planet right now

FranklinWilliams - June 26, 2019, 5:59 pm

It really depends on which type of movies do you specifically like

wortharush - July 1, 2019, 1:28 pm

It's not an educational film lol, it's purely for entertainment purposes and I'd say in that sense it's really good.

W3 S33 4LL - July 2, 2019, 11:51 pm

Yh that's what I also thought. The movie is great otherwise.

mrvice18 - July 3, 2019, 2:30 am

It's a fun movie. Really good source of memes too.

Boiler room is also good but it's almost the same as The wolf of wall street in my opinion.
