Here's three things you'll need for this:

- A phone (IOS or Android)
- Computer (Duh)
- Depending on your country a VPN (Works only in the USA, they do not verify the phone number)

Get your Smartphone and download the App of this Website: <https://www.fetchrewards.com/>

Sign Up - USE REF CODE 87H6D to get some points in advance

you will need some receipts not older than 14 days to get this to work. you can use multiple devices to speed up the process.

This guy got banned but I wanted to still comment about the neg. Giving someone a neg for not following through on an offer, being an asshole and talking shit to people or creating LQ threads is exactly what rep is for. This guy is an ass and got repped and banned accordingly.

Very well said.

Post for the method, do not PM me. ?
