Thread: [WINNER CHOSEN](#)

lavender. - June 15, 2019, 1:25 am

Hello HF! I've realized I've been here for awhile and never have I done a giveaway, \$10 BTC should be a nice start.

The winner will be chosen by a random number picker where i'm able to fill in numbers myself.

You can enter this contest by:

- + posting, your post number is your contest number.
- + After you've posted you can give me popularity.

Each positive point equals your post number being listed once in the random number picker.
e.g if you give me 3 green popularity it means that your post number is listed 3 times.

Winner will be chosen on the 1st of July

Number was 16, funtela. Thanks for everyone entered :)
