krizuss - June 15, 2019, 12:33 pm

hi there.

anyone tried Versace? i heard a lot of differend things about it, it should be invite only?

and is this undetected? let me know pleas

Enzon - June 15, 2019, 12:33 pm

Never tried it but i am interested lol

CheatsHunter - June 15, 2019, 12:40 pm

It's easy as fuck to join it, and it's pasted.

Not sure what could be interesting in it.

They just banned people via server logs. It doesn't mean that the cheat itself got detected.

If u were using aimware, without using the servercrasher you would not have been banned (like me).

I dont even need to use it. It was advertised on a minecraft forum. Its shit.

PingersAndMash - June 17, 2019, 5:11 pm

You would have to be brain dead to even try this hack I can see people who ask for faceit cheats on here would buy it
