Thread: [\\$30 | Exchange AGC for Bitcoins | Best Rates + Mentoring \[VOUCHED\]](#)

Driz - June 20, 2019, 5:20 am

Hey. I'm selling a method to convert AGC.com to Bitcoin

The method is :

1. Whitehat
2. Does not involve any conventional sites
3. Can be done regardless of what information you have on your account.

Price : 30\$

I'll also provide a vouch copy to the person whom I deem fit.

First copy is 10\$.

For any queries, please PM me and not post here.

Vouch given to @Byte

I was only given the first method: I already knew about this. A very good site (not very well known to all though) is being used.

You can easily exchange your AGC for around 80-85% there.

2nd method (Doubling): As I spoke to OP, I got to know that was not completely whitehat, and might be greyhat. OP does provide mentorship for the doubling method. (Jun 20, 2019 07:52 AM)

Demigod™ Wrote: [\[CITE\]](#) I received a copy from OP. It is not instant but not that slow (same day deposit) and the exchange rate you'll get from your AGC > BTC is better than you get here on HF.
