**Connected** - June 25, 2019, 10:48 am

So this method is dependent on installing adware onto your computer? I think I am good.

EDIT: The method involves you to download a piece of software that is considered Adware/Malware. Source: [Remove Adsmeneger.club Adware | Updated](#) Use at your own risk

Post below, and I will PM it to you.

Would love to learn how to do this

Thanks
