Thread: [Make \\$15 Per Day Semi-Autopilot](#)

brakleyyy - June 26, 2019, 5:34 pm

Recently started using a method that is currently making me \$15 a day semi autopilot after just only 2 weeks. This method does involve cpa, but does not involve any purchase of websites, domains, youtube monetization, etc... This method is simple and easy and for the most part already setup for you. Comment below and shoot me a Pm if interested.
