Thread: [Uber Credits \[50% Rate\] US ONLY | 100% LEGAL AND HIGHLY VOUCHED \[WORKS ON BOTH APPS\]](#)

Champagnepapi - June 29, 2019, 6:24 am

What is this service?

I will add Uber Gift cards to your account which can be used for Uber Eats/Rides.

This works with the \$10 referral rides.

The rate: 55%

50% IF YOU Purchase \$500 in credit for two weeks in a row. (Must purchase twice before you can claim this)

Example: \$27.50 for \$50 in credit.

\$55 for \$100 in credit

\$110 for \$200 credit.

BALANCE DOES NOT EXPIRE

Minimum order amount: \$50.

Maximum amount: \$2000

I need your phone number/password. (This is 100% legal so don't worry)

It can take up to 48 hours for the balance to be added.

Payment methods: BTC/ETH/LTC/Apple Pay/Zelle/Google Pay/Venmo(Some people)

Discord: Drizzy#7659

Terms of Service

This service is whitehat and works in the US ONLY.

You can use this for Uber Rides and Eats.

If there are any problems with your account/payment contact uber.

We do not offer premade accounts, you'll have to make it on your own.

Minimum Order: \$50 Credit

Maximum Order: \$1000 Credit

All orders may take up to 72 hours to complete due to heavy queue. If you can't wait, don't order.

If you receive extra and I ask you for it, you must pay or the account's status won't be my responsibility once I submit to claim codes back. I will not be replacing your credits that you original order because your technically wasting everyone's time.

Depending on my mood, I'll even ban/revoke your chance to ever use this service again if you try to argue with me.

If you ended up being banned for whatever reason, you will need to pay a fee of \$50 on top of what you owe before you can use the service again.

You will also be stuck with the @Time Waster role, which is unremoveable. You're basically wasting everyone's time by dragging things back and forth. We all know in the end, you'll use the extra credit.

Anyone who ask how long it takes I'll give you the @Time Waster role. DO NOT ASK!

Requirements:

- Your phone number on your uber account

(If your phone number some how cannot receive a 4 digit code sent by uber, you will be required to give us another phone number/login.)

- Your password
