Thread: [EUNE player trying to climb, need duo partner!](#)

EzBi91 - June 30, 2019, 9:57 am

So, hey, I want to advance. I am gold 3 atm, and I want to hit mid plat in the next month or way sooner. I main adc, and my side lane is support. I love playing both. I just want someone who is not toxic to play with. Your position does not interest me much tbh, I just need someone that like to play for fun and to advance if possible.

I am free for the next three days and after that I can play any day from 17h-24h Balkan time.

I'm masters+ on eune, adc main. I can coach you or offer you boosting if you would like. My other accounts are d3 and g3, so we could even duo.

I can't be coached, trust me, maybe a little. Well, I wanted someone from gold who is not insane and can think, I did not want to pay for a boost, have huge expenses incoming so I need to store some money ? .

Grinding is one hell of a teacher. Now g1 with 59 lp, was g3 3-4 days ago.

Well, that would be great tbh. I am an adc main, but my side lane is support. We can play, if you want. That would be like coaching tbh
