sadfire - July 3, 2019, 4:30 am

This violates my T. O. S.

Buyer doesn't have common sense. LMAO

User has bought a gambling method in the past and also lost money.

He bought this and he lost \$260 in one hour and opened a dispute. See the pattern here?

You think I am idiot to invest more into this scam? Why wait for 30 days? Will be same situation! you did not ask payment for shitty method after 30 days testing, you requested immediate payout. i proved it is not working!

You're an idiot for buying a gambling method thinking you will profit....

(Selling the method is equally as stupid)

AnonHacker - July 4, 2019, 8:44 am

I am glad I never buy money making ebooks

I see why this user is named sibil. You cray cray.

SIM-888979 - July 4, 2019, 8:53 am

Buying gambling methods. That's funny.

There's no gambling methods, there is just gambling. You literally paid \$75 for someone to tell you to gamble. ?

silverstar - July 4, 2019, 9:03 am

It doesn't matter why Sibil bought the Mr. Potatoman gambling method or how many other gambling methods in the past.

What matters is that, he lost with Mr. Potatoman's method and has shown it doesn't work!

Mr. Potatoman should honor his refund policy! Smdh

None of these ebook sellers are making any sort of real money so refunding is mortifying to them because they will out of money for cigarettes and ramen noodles.

jasonleto - July 4, 2019, 10:40 am

Its a sad thing, his thread was full of vouches that it was almost impossible to loose your money and here we are.

None of the people honour their refund policy since most just exit scam

yoyobiggie - July 4, 2019, 5:31 pm

I couldn't imagine buying an ebook for someone to tell me to gamble. Then proceed to lose and blame it on him lol.

sadfire - July 13, 2019, 6:56 am

Would love to resolve this with the buyer however he is inactive atm.

Will refund after 30 days, TOS IS TOS. MESSAGED THE BUYER.

Sibil - July 13, 2019, 10:11 pm

Sorry, but Seller wants me to invest more in his magic scam saying I get new "magic" script if I close the dispute to ruin may bank even more.

He also said he will refund after 30 days Only if I close the dispute. Dispute stays open until I get the refund.

Sibil - August 4, 2019, 5:34 am

More than 30 days passed and Jules/mr.potatoman have not contacted me to give me the refund.
Please, mods, do something about this!

Honor And Respect - August 4, 2019, 5:53 am
