Thread was closed as soon as I opened the dispute of contract.

Does anyone really take action on these disputes?

Let's do some quick math,

Claims method will make \$500 in 2 days.

$500 \times 2 \text{ (days)} = 1000$

$1000 \times 15 \text{ (days)} = 15000$

Half to \$7,500

His method claims to make \$7,500 a month, but claims it's not one of those typical get rich schemes, well \$7,500 a month seems like a get rich scheme to me.

This post isn't to comment on the DD itself, just making you aware that these are the figures you are buying into.
