Thread: [Ebook: Hacking: The Art of Exploitation](#)

Frankey - July 6, 2019, 12:27 am

Good free ebook, someone sent it once on Skype to me. It's long, but interesting and worth the read.

Contents of Book:

Introduction
Programming
Exploitation
Networking
ShellCode
Counter-measures
Cryptology

Free download link:

I want to learning hacking

TheColombianKidd - October 9, 2019, 10:04 am

Will check this out. I've been thinking about getting into the hacking community and learning. Definitely interested.

skygames101 - October 11, 2019, 5:11 am

Thanks, Frankey, I'm not much of a reader myself, but I've read some of it so far and can definitely say I'm interested. I will continue reading this tomorrow, but so far I'm glad I found this material, and I'm glad you brought it to the website.

shadross - October 11, 2019, 1:35 pm

how can i have this? thanks
