Buying 38 games for this Thursdays \$80 million draw.

First 38 valid responses will choose my numbers.

Reply with 8 numbers according to the image.

I choose my lucky number 5.

Spare me 500k when you win ? :)

LeMeilleur2 - July 6, 2019, 11:10 pm

I have always had luck with the number 7, good luck ;)

Maybe I didn't make it clear. You have to choose 8 numbers. Seven from the top and one from the bottom in the image.

If you choose the winning numbers I'll give you \$100k.

Yeah I went Quick Pick because the replies were too slow. I guess I'll still give away \$100k when I win the \$80m.
