hello there

title said it all

i can do mass facebook advertise , i can do it with half price or even more than half if you planned to deal with me long-term

i'm professional on targeting people , interest , locations

i'm also have knowledge of website host , code , scripts

so if you a website owner , store owner , business owner . its your chance to grow your sales , likes , and more

skype : Nerwigan

You will pay half of your budget [50% of your original price]

? 2 vouch copies for ub3rs ?

" vouch copy is 5\$ advertise for anything on facebook such facebook page or even website " ?

[if your budget more than 1k you will have more than 50% off] ?
