Thread: [best hosting for athena botnet](#)

protecteur6 - July 9, 2019, 7:59 am

hey i wanna hold more than 10k bots and i need a campgnie that dont bann botnets i need a strong host any campagnie to advice ?

Young Sosa - July 10, 2019, 12:19 am

Buy a dedicated server that allow botnets on the market of HF

thanks an what crypter you advice me for athena http ?

TheArmy - July 10, 2019, 5:42 am

Read TOS of your Hosting ! low % accept Botnet , after depend what kind of botnet it was
