Thread: [Instagram Username Requests](#)

Killua - July 12, 2019, 10:07 pm

Doing requests again, doesn't matter if its an OG or random username, same process. Will be swapped directly onto your account.

PM INACTIVE username for a quote. I'm not going through any forms or any bullshit like that, middleman will hold funds while obtaining the account or you go first and if I can't get it, I'll return the money. ?

What if an account is banned, but I previously owned it with plenty of E-mails from IG
No OGE though.

I may be able to get it but price will be the same regardless if you owned it or not.

np whats the price

Killua - July 14, 2019, 7:56 pm

Everyone the price is 2-3k+, don't message with active usernames. this isn't forms or anything like that bullshit, it will be swapped directly onto your account. Only pm with proof of funds and INACTIVE usernames, got too many active usernames in pms.
