Guys can you please give me general sections of things that i'm can make money from ?

like ew , coding etc ...

Omniscient - July 13, 2019, 11:36 am

Most people will make more money with a job at McDonalds than they'll make online.

LOL "ew , coding etc" you don't have to be a coder to make money online. What do you like doing grapics? gaming? support? writing articles? those are just a few ways to get started making money online

edit: nowadays you can literally signup on twitch turn your webcam on and do stupid shit and make a shit ton of money entertaining people its all about how bad you want it, nobody will spoon feed you in life.
