Have any of you freaks even seen a hammer before?

HELLO HOWFUCKING DARE U NOT MENTION ME I WAS THE 1ST 1 IN THE THREAD TO SAY THAT AND even omni changed side and was like: ok its a hammer
LOOK

WHO DESIGNED IT??? I dont know!!! but were in 2019 omnis pockets are rly deep and i think he can afford a new icon so we have the right to remind him that it looks like a hammer ok we need to make the icon change to avoid members asking businessmen "hello y do u have a hammer award are u gonna banhammer me"

TL;DR

its a hammer/tie

its a hammer if ure any normal person

its a tie if ure any normal person who goes rly close to the screen and is told "what you're seeing right now is a tie, its a business-related award."

simple!!!

yea first glance hammer. it's always been a hammer! welcome to the enlightened side my son

ririki - July 13, 2019, 5:52 pm

To be honest it looks like tie and always looked like that on my side.
It's shirt and tie on it.

I could probably see the hammer too but first thing I see is a tie, doesn't really bother me though.

I don't understand what the top part of it is supposed to be. The red bit on its own looks like a dick/tie and looks like a hammer with the top bit and when zoomed out.

Ravioli - July 13, 2019, 5:58 pm

bro honestly if the collar was whiter than it wouldn't look like fucking stone

also if the tie was a vibrant red

these would be some real improvements
