Thread: [\[COMMISSIONS OPEN\] MAKING ALBUM COVERS AND ABSTRACT ART](#)

emotionull - July 14, 2019, 10:04 am

My name is REDACTED, I go by Emotionull online and when it comes to my art. I am twenty-one years old and a artist of many forms. Recently a lot of my focus has been pointed towards visual arts from painting & digital art. I've worked with video editing, digital art, photography, journalism, web design, and I've even wrote a few poems in my time.

In this thread I'll be offering my artistic services for those who are interested in my style of art.

I am offering two different styles in this thread, digital, and physical (Paint, Markers, etc.)

Below if a few examples of both styles, and I'll also be linking my website with my full portfolio.

Physical:

I have lots of physical pieces so I'll link my gallery below.

<https://artbynull.com/gallery/>

Digital:

Prices:

\$25 for digital.

\$50 for physical.

If you're interested reply below and we'll start a contract or discuss further details.
