Thread: [Anyone do EUW boosting?](#)

Anima - July 14, 2019, 11:07 am

Currently Silver 4, Really wanting to get Gold so i can 5v5 flex with my friends, anyone here able to help me out? :)

FaustXD - July 14, 2019, 2:11 pm

do you want flex 5v5 or soloq boost? I could do it, but for a price, not sure if posting my discord is allowed in hackforums, but I cannot DM you on here.

I play occasionally nowadays but peaked d2 this season.

CoachBroeki - August 2, 2019, 7:55 pm

Just a tip - don't get boosted. Take a professional coaching.

If someone boosts you you'll just int the game bc you aren't as good as the other players there.
