Toretto CMP - July 14, 2019, 5:04 pm

Is this for real? There's really a lot of crooks here, but the Processhacker test proves it's going to be real. Good sales.

Diazepam - July 15, 2019, 4:08 am

smokie8099 - July 15, 2019, 6:07 am

GLWS88 - July 15, 2019, 6:16 am

Anyone vouch yet. I'd like to test and give a full review

MonEy - July 15, 2019, 6:22 am

I haven't seen a PDF exploit in some time, so I'd personally be careful guys.
If OP gives out a vouch copy to someone trusted; that may change my mind.

maxlifted - July 15, 2019, 7:59 am

Op, please give a honest review because many have been ripped because of PDF exploit. Any vouch copy available?

CasePaste - July 15, 2019, 9:18 am

vouch copy will be great for a test and i can give a good review

A\$APKING - July 15, 2019, 9:56 am

any vouch copy available, will do a pretty good review of all points.

DamienVC - July 15, 2019, 10:16 pm

I would recommend any serious buyer to use an escrow system / MM before dealing. This is a risky but lucrative deal.

smokie8099 - July 16, 2019, 2:53 am

i spoke to the op and he wants 100\$ for a 10 min vouch lol best of luck to ya pal

eEelad - July 16, 2019, 7:38 am

supersgh - July 16, 2019, 9:39 am

And if the user doesn't have installed Adobe Acrobat Reader???and the pdf file its open with any browser?I suppose will not work anymore , right?

OracleSakura - July 16, 2019, 7:52 pm

I thing all people selling product on this forum is all for noob that dont know how to use office product & adobe product.

Bjorn Lothbrok - July 17, 2019, 10:07 pm

A vouch copy to 2 or 3 persons would clear the doubts in intending buyer's mind. So OP, if you are serious about this sales, give out vouch copy and let them convince us that this is real. Lots of rippers and scammers on here lately, one has to be very careful in such dealings.

MonEy - July 18, 2019, 6:26 am

Also notice he hasn't even posted on the thread since the OP.

BE CAREFUL GUYS! You've been warned.

You must have contracts for any vouch copies given. Currently you have no contracts. Please fix that.
