Thread: [profile comments posting etiquette](#)

int - July 15, 2019, 10:54 am

Is there a posting etiquette for profile comments? would it be the same as just general forum posting etiquette? (as explained in the [Help Docs](#))

SoulZeh - July 15, 2019, 12:52 pm

Wouldn't be necessary as people can only comment on it if they are on your buddy list and if you don't want them commenting just block them?

Omniscient - July 15, 2019, 2:02 pm

And you'll be able to delete comments on your own profile.
