Thread: [MyBB Error when click profile from UserCP](#)

Happeh - July 16, 2019, 7:25 am

Yeah as the title says, clicking the link on my username in the UserCP:

gives me an error:

Not sure if its been reported. Sorry if it has.

Yeah, noticed its just mine, everyone else's is good. It's also all my profile links, not just the userCP.

Am I the fabled one?
