I'm kinda OCD and it just doesnt look right...

Omniscient - July 16, 2019, 7:06 pm

I know. Xerotic has to fix that a bit. It's off.

Deany - July 16, 2019, 7:08 pm

Lol I thought I was just seeing things when I saw it too

I don't know if the profile name is necessary to be put below the profile picture. If your name is small (3 or 4 letters), that doesn't look odd. imo just the clear profile picture alone was better. We do have the name at right hand panel.
