Frequently Asked Questions :

Q. How does the Instant Refund work?

A. If you've ever done this method or purchased it, you will send the proof thus your refund will be instantly processed, as simple as that. You have 6h from the time you downloaded (not payed for) the PDF to claim your refund. That's plenty of time to read through 10 pages and see if you did it/purchased it off anyone else.

On top of it I'm also offering "normal" refund for a period of 3 weeks if you fail the method.

Q. What's the difference between two packages?

A. Basic package gives you basic support, if I have a Full Package customer needing my assistance you will be put on hold. Full Package customers can ask for Personal Set-Up either done on my PC then handed over, or done through TeamViewer.

I will provide you support rest assured regardless of the package, but in an event of me being busy with another customer (Full Package customer) you will unfortunately have to wait/arrange different time.

Q. Are there any investments required?

A. Yes, 5\$ a day.

Q. Do I need to design/build website?

A. No.

Q. Do I need to find offers/niches?

A. No, I will give you the niche and entire set up needed in order to make money from the method.

Q. I never done CPA, can I do it?

A. Yes you can, I have laid everything down step-by-step so you should not have any issues. I am also providing support so in case you're stuck or just need double-check you're more than welcome to contact me.

Q. Can it get saturated?

A. I firmly believe this will be unsaturated for years to come. Additionally I will limit sales to 10 copies just for the sake of keeping it somewhat private.

Q. Is this in any way against any network ToS?

A. Absolutely not, this is legit.

Q. What is the time needed to execute the method and see money?

A. Set up takes less than an hour. You can see the earnings within 48h.

Q. Can this be done absolutely anywhere in the world?

A. This method will work anywhere in the world. All you need is an internet connection.

Q. How much money can be made?

A. I usually make 60\$-80\$ a day.

Q. Do you offer "normal" refunds?

A. Yes, for 3 weeks. If by any means you cant replicate simple steps, I will personally make sure to set you up (we will arrange a meeting on Skype or any other communication app you prefer).

Terms of Service :

Spoiler ([Click to View](#)) You have 6h after you download the product to claim your money back in case you know the product or you have done it before.

Sufficient proof is required.

You understand I have a life too, most you'll wait for a reply is 10-30 minutes unless I'm sleeping.

You understand you cant expect 24/7 support unless you purchased Full Package, same applies to Mentoring Sessions/Personal Set-Up.

You agree to respect me and treat me as equal as I treat you as my customer.

You agree not to behave like a redneck, single insult or a threat towards me as a seller will result in termination of our contract. No refund, support or further communication will occur in such event. No exceptions.

You agree not to use the sales thread for support (duh?), you will receive all contact details immediately after the purchase to your Email.

It works with any CPA network, I personally use AdWork Media and can guarantee every customer will get accepted. If you want to use other CPA networks you're more than welcome to.

Sorry mate I'm not giving out freebies.

There are 3 niches included in the package. You can pick either of them. Experience is not needed as long as you can follow the guide and implement the steps. In case you have anymore questions you're more than welcome to contact me and I'll do my best to give you detailed reply. Cheers!

Worst case scenario you will make minimum of 30\$ a day. Yes, AdWork Media supports Bitcoin payout.

Will it take all 3 niches to scale this to \$80 a day or more?

(Jul 21, 2019 07:03 AM)Cranberry Wrote: [\[CITE\]](#) Will it take all 3 niches to scale this to \$80 a day or more?

No, that's just a little extra for customers so they can pick niche. Truth is you'll mostly get the same results with all 3 which is why you can eventually scale it up by doing 2 or more. Cheers!

I would like to know if it is necessary to invest in paid traffic and if it is necessary to build a list of subscribers, what is the daily profit potential and how long it would take to start seeing revenue, thanks bro

Indeed you are paying for traffic hence 5\$ a day investment, however traffic is not the converting point which makes this method quite unique and different. I can not go into more details without revealing the method, all I can say this isnt guide that says "go buy traffic to your links and you will make money", that's utter bullshit. No list building whatsoever. With a 5\$ investment you can see earnings in a range of 30\$ to 80\$. I cant tell for sure since I personally had earnings within 5h but just to be on the safe side let's say it should start generating daily revenue within 48h. Cheers!

mktven - July 21, 2019, 7:43 am

great and the traffic is from fb ads? since if so, I've had problems lately to promote CPA with fb ads

Probably because you're not doing it the right way :P Exactly we use Facebook Ads, however what we do with Facebook Ads I unfortunately cant reveal. Most I can tell you is the fact FB Ads arent used as a source of conversion but rather traffic only. "Something" else ensures conversions. And

no it's not those Viral Scripts or whatever it's called in case you're wondering if that's the secret. It's not content locker either. You're more than welcome to contact me through Skype/Discord/PMs in case you have anymore questions. Cheers!

Edited original post, 7 more copies for sale. Thank you.

Both yes and no, it can be done without domain/hosting but it's preferred you get one to match it with the niche. Namecheap offers both domains and hosting fairly cheap.

No Instagram involved whatsoever. You need FB page to run the Ad though, FB wont let you do it without one. You can make one in 5 minutes it's not even that important.

Thanks for your interest mate but I highly doubt this will be on sale for a week. I only have 6 more copies available out of which 2 are reserved - pending payment so that makes 4 left. Cheers!

Appreciate the offer but I'll pass. If it was larger amount (200\$+) I'd go for it. In case you're scared or something else, dont buy, I'm not forcing you to do it. Cheers!

Update July 30th : I have tested and pushed new offers to selected customers. I'll slowly roll it out to all customers.

We've gone from 7\$ per lead to 12\$ per lead which effectively boosts daily & monthly earnings by around 20%-30%.

Update August 3rd : I have made even better deal on a new network. We've gone from 12\$ to 14\$ per lead. I have already moved couple of customers to a new network and we're testing it.

Customers can expect to be contacted by me by the end of the week in order to finalize transfer and get access to better payouts. Thank you.

sonex - August 6, 2020, 12:58 am

This is last announcement for August of 2020.

From this post on, I can take max 1-2 new customers depending on the package. Contact me to check if I still have spot open before starting a contract.

If you miss a chance to join now, I reckon I'll open new spots sometimes around September 10th. Thanks.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
