Haha same here.

This show is going to be phenomenal! I was skeptical about the cast but now I'm a 100% sure it's going to be incredible!

Series! Normally the first season going to have 6 or 8 episodes, and should be released on the 20th December!

Honestly.. I don't see this being a "big" hit.

I couldn't get into the game though.

Yeah.. that's why you don't think it's going to be a big hit...

it's already N1 tendance on YouTube. It's the most awarded game ever, and best seller books.

I'm pretty sure it can compete with GoT or even better.

it looks really good tbh cant wait to watch it
