Bruh i had my photobucket privacy wide open for years just now seen it.. had TONS of comprimising info on there. I had my photo id i uploaded. Ex's nudes. My debit card info , Hacking things i took screenshots of lmao. Bro wtf... damn cant believe its been open for years.. thankfully i guess no one used this stuff maliciously

Do you leave your doors unlocked at night? Do you leave your car open when you get out? Be smarter.

Mr. Robot - July 20, 2019, 3:19 am

Lo ty google cache for nudes
