[contract=tid]Start Contract[/contract]

I'm offering to safely swap your Instagram handle onto another account.
I've swapped over 400 usernames successfully.
I'm able to bypass the 14 day limitation in most instances.
I can swap the username onto your personal account in most instances.

In order for this to work, ensure that your name hasn't been swapped or attempted to be swapped in the past 14 days

- 1) You provide me with the account that the username is currently on.
- 2) I will create a fresh account with the OGE being the domain of your choice.
- 3) I'll swap the name and give you the new login information.

10% of the value of the username.
For all usernames valued at \$150 or below, I charge a flat fee of \$15.

Bitcoin
Cash App

Kik: Awkward
Discord: Rolex#0373
PM: @Rolex

While I will take all precautions to ensure a safe swap, I am not responsible for a loss, should it occur.

The fee is paid up-front and is nonrefundable.
I have the right to refuse to swap your username.
These terms can be changed at any time without prior notice.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small 7yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
