SnapFxrtune

SnapFxrtune is your go to source for the most HQ & quickest adult traffic for snapchat. We also offer services to send live snapchats from your gallery.

We offer affordable services & guarantee satisfaction or a full refund, that being said if your a experienced or new ewhore were here to provide you top of the line traffic and resources to make your eWhoring journey easier.

Traffic

Our traffic comes from various different sources such as, pornhub, many chatrooms, chaturbate, omegle, sexting forums, and [BRAND NAME REMOVED]!

All of our traffic has been tested on several different occasions and accounts, and roughly our services bring in 150-300 adds per day,

that being said in a weeks time I was able to bring in about 600\$ total profit from this traffic.

Upon purchasing your package all that were required is your snapchat username, then we setup and begin sending your traffic automated for the allocated time.

Packages:

Trial(3 days) - \$24.99

Intermeddiate(1 week) - \$34.99

Gold(2 weeks) - \$54.99

Elite(1 month) - \$69.99

SnapFxrtune Upload - Ever wanted to be able to send live snapchat videos & pictures but, you cant afford atro or Snxp? We have a solution.

We offer a server to show you how to create your own spoofed app for android or iphone and be able to create and use it on multiple accounts in multiplate instances.

Price for tutorial & support - \$50

Proof of 2 day old account using our traffic:
