Anywhere from \$5 and up, depends on how complex and long it'll take me to complete.

Can't remember if I messaged yah or not so if you still need it please message me.

I just made a big move to Chicago last week, so I wasn't able to get to graphics. However if anyone needs any I have plenty of time for the next few days.

Hey guys, I have tons of free time currently and could use some extra cash after a big move into the city. So feel free to message me if you need any work done.
