Thread: [Need help to learn how to stock trade](#)

Leobrace - July 29, 2019, 11:19 am

Hello for years I've been wanting to learn how to stock trade. I really want to learn, I have money. Not much but I want to double it then triple it. Can anyone guide me how to stock market.

It is unlikely that you will double your money. You can get 10% profit per year.

and refer to me as a reference

I'm sending you a private message with the skype name of my buddy and and refer to my name (Petar Srdanovic) as a reference and tell him what you said here to me and everything will be cool :)
