Sorry but you won't be getting the money back (looks like it) cos his account is closed.

Edit: sorry for your loss, dude.

But it says [exiled@HF:]

?

Exiled is banned , if the expired date expired it may be closed

90% of the time, if someone is exiled@HF that means they are just temp banned. If they are perm banned, they will be closed.

Always use an MM especially with people that have almost no rep.

Sorry about your loss
