eWhoreLeader Presents

MASSIVE Adult Twitter | Shoutout & Promo Service

I have one of the most prominent Twitter accounts (193k followers as of today 10/23/19) in the hotwife/cuckold niche with very high engagement. I've manually built this following with HQ and engaging content since September 2018. I've been in the Twitter game for many years and I've gotten a pretty good handle on how to scale accounts up very quickly and organically.

I am able to provide a promotional tweet/retweet/pinned tweet service for your twitter account or website. Please see pricing and traffic below.

I will not be including my @ handle publicly on here, as I am currently advertising for other accounts atm.

I will only retweet accounts which are adult related.

PRICING

- A general retweet (without comment) | \$25
- A retweet with a comment (promotional) | \$40
- A freshly composed promotional tweet | \$55
- Pin your tweet to the top of my profile for one (1) week | \$100

PayPal or BTC accepted.

Just sent you a pm, if what I requested isn't doable just hit me with ur discord or something. I have a Twitter too I just don't use it much.

Druze and I experimented with doing a shoutout to his ewhore SnapChat account, instead of a Twitter account.

Druze, can you follow up with update on these results? Thx!

Going to wait to see what Druze says. His vouch holds some weight with me ?

SIM-2508228 - August 12, 2019, 12:20 am

Been less than 12 hours and I didn't even shoutout a twitter, he shouted out my Snapchat and I've gotten a couple hundred adds since then. If you used this service for a Twitter I'm sure your results would be even better, 30+ retweets and 150+ likes on a Snapchat shoutout from his Twitter in less than 12 hours. Pretty solid if you ask me

Android 17 - August 12, 2019, 12:25 am

Definitely will be hitting you up shortly OP. Have some accounts I'm trying to grow.

I prefer to keep my tweets on topic for my followers and tweet shoutouts for the following type of accounts:

- Other hotwives
- Other niche accounts
- Models
- Platforms/Dating/Tube Site

The best content that performs well are

- Amateur Videos
- Pictures of sexy hotwives/models (4)
- GIFs with captions

Hope this helps!

Getting ready to roll over to 160k followers by morning. A look at my stats for the month of August. Average 1 million (1,000,000) impressions daily and roughly 106k (106,000) profile views, daily.

Profile pinned tweet is going to be available in the next hour or so. HMU if you want to rent it and get massive amounts of eyeballs on your content and get followers.
