Thread: [Overpowered Roblox exploit](#)

Chris P Bacon - August 3, 2019, 7:20 pm

Can someone make me a roblox exploit. With a very detailed gui. Nothing basic. Something made by a expert scripter. Thank you.

What are you exactly looking for? A script or a standalone cheat/hack?

People cheat on Roblox?
What's the benefit of that?

What game on roblox are you looking to exploit/cheat in? Any exploits/cheats you're looking for in particular?

You're request is a lil too vague boss.
