PURCHASING.

FAQ:

- Q. Do I get a download link to the application?
- A. Yes, you will receive an account where desktop applications can be downloaded.
- Q: Are these licenses legitimate?

- A: Yes, the licenses are legitimate and authentic. The license is a business license which forms part of an academic license.
- Q: Can I seek Microsoft customer care help if needed in future?
- A: Yes, you can get support directly from Microsoft.
- Q. What Operating system does it support?
- A. Licenses work on both x86 (32bit) and x64 (64bit) versions of Windows 7 or Later and also Mac Os X Yosemite or Later.
- Q. Can I use this with Android and iPhones or iPads?
- A. Yes download the relevant apps from the app store and login in with the provided account to activate on your device.
- Q. Can I renew or upgrade my current Office 365 Subscription?
- A. No, we provide a new account with a new license, it cannot be used to renew or upgrade or current subscription.
- Q. I have an older version of office already installed on my device, what should I do?
- A. We recommend removing this before installing any applications from the account.

Product still for sale create easy money on internation market like Ebay and more!

Dr. Einyel - August 17, 2019, 6:12 am

Is this edu method?

Since I don't see any honest review let me know if you would like to share a vouch copy and I would leave my honest thoughts here.

Thank you for receiving a vouch, of course, great!

Answer to your question:

This is not EDU methods but comes directly from Microsoft. When I get home I will send you the Vouch.
