Thread: [If a website needs like 100k visitors a day how...](#)

**mendo X** - August 6, 2019, 12:02 am

If a website needs like 100k visitors a day to make \$100 a day roughly 700 a week in turn Less then like 40k a year. How influencers milionaires off like 2million followers? I just researched this so i may be ignorant and misisng something

**Myaccount** - August 6, 2019, 12:04 am

first mistake

assuming someone who flaunts on IG is rich...

**scam.** - August 6, 2019, 12:11 am

advertisers pay them a lot of money to promote their brands.  
a lot.

**Toasties** - August 6, 2019, 12:20 am

Is this a question I really don't understand what your trying to say. Yes people earn a living from the interweeps yes? And?

**DNA** - August 6, 2019, 4:49 am

I get 35k visitors a month on an unreleased mmorpg aha  
P.s. don't pay anything, standard free SEO

**Tyler Durden.** - August 6, 2019, 4:52 am

Their income don't come solely from website traffic, way more from promotions and advertisers- as mentioned further up the thread.

**Coupe** - August 6, 2019, 5:12 am

I sell website traffic Width#9989

**Sickness** - August 6, 2019, 5:20 am

Bruh with 100k traffic daily u making more than \$100 i tell u already
