FlyZone - August 6, 2019, 4:39 pm

Selling an Aged YT Channel with 5k Legit subs and has atleast 3-10k views per video, i haven't posted in about a year or two so the price will go much down then my original thought.

Also selling my aged twitter account with 2k Followers,

This account isn't cracked, and you can change any information you'd like under the account and remove anything within the account, the channels been open for about 3 years, same with the twitter.

My channel was based around Vlogs, Call of duty Trickshotting/montage days

hit me up if your interested ?

If you want the link or have any questions PM me

Cheers

Yeah, sucks, lost my money. More of a reason to use the contract service here instead of paying directly like I did
